Glazed Vitrified Tiles

VITERO brings the high performance, classic aesthetics of **Glazed Vitrified Tiles** to life through dynamic, high definition colours that slide across the surface for stimulating visual movement. The timelessly classic look is expressed through subtle colour variations and majestic designs. Visually arresting, VITERO Glazed Vitrified Tiles achieve an unencumbered chic aesthetics and upbeat trendsetting designs with ease. These artful re-creations elevate urban living with sensibility and exquisite style while the incredible endurance and the technical advantages of Glazed Vitrified Tiles make them a piece of long-lasting beauty. The VITERO Glazed Vitrified collection complements a whole range of interior aesthetics - beautifying walls and floors alike.

Purica

Plain Collection

Purica embodies the minimalistic effects of matt sandstone with an abstract movement in a **Glazed Vitrified Tile**, exploring the boundaries of what a simple yet majestic design can evoke. The pigment is modern and resistant, ideal for both commercial and domestic applications. Creating a quite brushed aesthetic and lending a striking yet subtle sophistication, Vitero GVT tiles add to the boldness of interior designing. Cool contemporary surfaces of Vitero GVT tiles bring a sense of soothing calmness to spaces.

LUSO

Marble Collection

Lusso brings the classic beauty of honed Italian marble in high durable **Glazed Vitrified Tiles**. Large scale veining emulates the look of natural marble in various hues and tones. Inspired by the structural movement of veincut marble, this stylish beautifully polished surface brings heightened contrast and instantly draws in the eye. LUSO is the charismatic and versatile glazed vitrified floor and wall tile ideal for public and private use. Giving a contemporary appeal and rich textural visual intrigue to create a one-of-a-kind look and feel.

Amara

Wood Collection

Fusing old world glamour with contemporary rustic tones, Amara adds to the collections of distinct wood-look Glazed Vitrified Tiles. The delicate and sober lines fit into a large range of styles and personalities, ranging from the classic to the rustic country. Every wood-finish tile recalls the beautiful, classic look of aged wood, skilfully incorporating the visual features and feel. The AMARA collection brings warmth and a cozy feeling of natural wood into your living space.

*Vitrified tiles have resistance to most of the stains / chemicals but it is recommended to take due care while laying and for day to day maintenance

Advantages

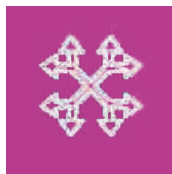

Advanced Italian technology

Digital printing

Anti-skid

Versatile

Strong & durable

High gloss

Stain resistant

Scratch resistant

Water resistant

Acid and chemical resistant

Low maintenance

Fireproof

Wide range of designs & textures

About Aparna Enterprises Limited

The story of Aparna Enterprises Limited (AEL) is one of continuous evolution. Constantly embracing new technologies to develop the next generation building materials. This entrepreneurial trait has earned great recognition and trust from customers.

Founded in the year 1990 Aparna Enterprises Limited has established a reputation as one of the India's most innovative and respected building materials producer, through a range of businesses in building material products, such as RMC (ready-mix concrete), uPVC Window and Door systems, uPVC profiles, Tiles, Sanitary Ware & Kitchens, Aluminium Window and Door systems and Facades and Exteriors. Associated with several landmark projects for over 30 years, AEL is globally renowned for setting benchmarks in technology, research, design and quality.

At the core of AEL are its customers. With 3 decades of experience, AEL understands and is in tune with the growing needs of the market. By fostering continuous improvement, adopting new technologies and expanding our competencies. AEL is able to deliver the most sophisticated, high performance and bespoke material product solutions in the market.
